GCCNS

Enrichment Guide

Spring 2017

GCCNS ENRICHMENT GUIDE

Take a look at GCCNS's Enrichment opportunities for all ages! Our classes are designed to meet the needs of families. Parents can drop their children off at GCCNS at 9:00am for preschool, the Enrichment teacher will pick up the children from their morning class, take them to eat lunch and begin the activities of the Enrichment class. Parents will pick-up children at days end.

The advantage for the children is clear- fewer hurried transitions allowing for better learning, less time in the car, more time with friends, more time with teachers who specialize in children, and a stress-free day!

The advantage for parents is clear- fewer hurried transitions allowing for better parenting, less time in the car, more time to "get things done that are easier to do without children in tow", and a stress-free day!

As you read through the Enrichment Guide please note:

- 3 sessions throughout the year: Fall-Winter-Spring (F-W-S)
- 9 classes per session
- Classes are offered at varying times to be available to all children
- ALL children have an opportunity to take a class
- Cost/class is competitive with area Enrichment class, GCCNS classes range between \$15-\$20 per class
- Classes are small for one-to-one attention
- Teachers are specialized in the class specific content

All programs that include lunch, please send your child with a nut-free* lunch, packed in a thermo lunchbox.

***GCCNS is a Nut-Avoidance school (refer to the GCCNS Nut-Avoidance policy found in the Parent Handbook).**

Anytime that GCCNS must close due to a situation that occurs out of the control of GCCNS (ie: weather, gas leak, etc.) classes will not be made up or reimbursed.

Young Explorers
